

# IN HONOR OF DONORS

January 1, 2003 - December 31, 2003

Dear Retreatants and Friends,

We have much to be thankful for; the list below attests to that. Because of your generosity, we've been able to continue to install new windows in the residences, finish the renovation of Rossi Chapel, and complete another phase of work in St. Robert's. Those are the big projects, easy to notice. Less noticeable, but no less important, are the daily expenses that you help us meet: salaries, insurance, utility bills, laundry, and food - all those things that make an operation work. In addition, you make it possible through scholarship donations for many people to come here who would not otherwise be able to.

We talk about our work here as a "team effort." The Retreat Directors, the administration and staff work as a well-oiled machine to prepare a place for people who want some peace, some time to learn about their relationship with God, and how that relationship relates to their family life, their social and community life. But all of you listed below are also a part of the team, an indispensable part. You make our work possible.

Mass is offered each week for our benefactors. We ask God to bless each one of you.

Sincerely,

William J. Rewak, S.J.
